

INVEST IN INDIA

INFRASTRUCTURE

DPW (Dubai Ports Worldwide) manages 5 ports in India and its investments have now crossed US\$ 1.5 billion.

INFORMATION TECHNOLOGY

Microsoft will invest US\$ 1.7 billion, adding approximately 3,000 employees, over the next 4 years.

AUTOMOBILES

Hyundai has made India its global manufacturing hub for small cars and is investing US\$ 860 million in its second plant in India.

Across sectors, the world's best companies are investing in India, the fastest growing free market democracy.
