Niche segments offer good opportunities

**Medical tourism**

- The presence of world-class hospitals & skilled medical professionals makes India a preferred destination for medical tourism.
- The Services Export Promotion Council, the Ministry of Commerce, estimates the global medical tourism market to be worth US$ 46.6 billion in 2021, with Asia-Pacific accounting for the largest share (40%). In a bid to position India as the global wellness and ayurveda hub, the tourism ministry is planning to register all wellness centres in the country after the pandemic.

**Cruise tourism**

- Cruise is one of the most dynamic & fastest-growing segments in the global leisure industry. Indian government has estimated that India would emerge with a market size of 1.2 million cruise visitors by 2030-31.
- Moreover, India is looking to take advantage of its 7,500 km coastline to tap growth potential of the cruise tourism segment.
- In April 2021, Dream Hotel Group announced plans to invest ~US$300 million in the next 3-5 years for development of the cruise sector in India. The group has also launched Cordelia Cruises in affiliation with Waterways Leisure Tourism Private Limited, which will begin its cruise operations in India from May 2021.
- India signed a deal of worth US$ 950 million with Russia for two upgraded cruises. These ships are expected to be delivered by 2022.

**Rural tourism**

- The potential for development of rural tourism in India is high as most of its population reside in rural areas.
- This can benefit the local community economically and socially and facilitate interaction between tourists and locals for a mutually enriching experience.

**Eco tourism**

- India is often termed as the hotspot for bio-diversity and its rich natural heritage is unparalleled in many ways. As of December 2020, the country comprised ~104 national parks and 566 sanctuaries.
- Such valuable resource base gives impetus for the practice of variety of alternate tourism forms & many of which are already in existence.
- In January 2021, Old Goa-based Indian Council of Agricultural Research-Central Coastal Agricultural Research Institute (ICAR-CCARI) launched the agro-eco tourism (AET) module as a potential alternative to regular tourism.

Airlines industry set to fly higher

- **Low-cost airlines**
  - Growth in low-cost airlines is expected to lower tourism cost and increase domestic spending on tourism. Low-cost flights under Ude Desh ka Aam Naagrik (UDAN) scheme are expected to connect underserved regions in the country and promote domestic tourism.
  - Under RCS-UDAN scheme, ~34,74,000 passengers were flown and 335 routes were awarded during 2019, covering 33 airports (20 unserved, 3 underserved, 10 water aerodromes).
  - To boost demand during the lean travel season, Indian carriers have announced a new batch of discounted ticket pricing in August 2021. Tickets are available for as low as Rs. 914 (US$ 12.33) on IndiGo and AirAsia India.

- **Increase in international flight operators**
  - The market is likely to become more competitive due to the entry of an increasing number of international flight operators expected to offer improved services to tourists. JVs such as Air Asia and Tata SIA is already serving the Indian skies.
  - Players like Etihad and Vistara have entered the country in the last few years.

- **Increasing number of airports**
  - The Airport Authority of India aims to start operating 250 airports across the country by 2020. As of 2019, there were 132 operational airports in India.

- **Higher investments**
  - In the Union Budget 2018-19, the Government proposed to develop 10 prominent sites into iconic tourist destinations.

- **Higher passenger traffic**
  - In FY19, domestic air traffic and International air traffic in India increased 14.1% and 3.4% YoY, respectively.
