India: What's next?
– A roadmap ahead –

Friday, September 27th
Renaissance Hotel, Zurich

PROGRAMME

Shaping the future without mastering the present practical realities is not feasible.

The India Symposium as an annually recurring Top-Management and Leadership conference, launched in 2005 and organised by a handful India affiliated youth on an honorary basis, aims at fostering the economic and social relations between India and Europe actively and sustainably, through the exchange of experiences, expertise and networks.
