Merchandise Export from Arunachal Pradesh (US\$ million)

Note: - ^CAGR in Rs., E-Estimated, GSDP - Gross State Domestic Product, Source: Ministry of Statistics & Programme Implementation, Directorate General of Commercial Intelligence and Statistics.

ADVANTAGE

High economic growth

At current prices, Arunachal Pradesh's GSDP is estimated Rs. 495.06 billion (US\$ 5.60 billion) in FY26.

Huge hydropower potential

Hilly terrain and abundant rivers makes the state a potential powerhouse in the Northeast. The Department of Hydropower Development, Arunachal Pradesh, is wholly entrusted with the design, construction, operation and maintenance of hydropower projects in the state.

International trade opportunities

The state's location provides opportunities for international trade with Asian countries such as Myanmar, Bhutan and China. Merchandise export from the state reached Rs. 8.117 crore (US\$ 0.908 million) in FY26.

Policy and fiscal incentives

The State and Central Government offer huge fiscal and policy incentives for the development of important sectors.

KEY GOVERNMENT POLICIES AND OBJECTIVES

Public Private Partnership Policy 2011

Leverage State and Central Government funds to support private investment.

Hydro Power Policy 2008

Harness hydropower potential of the state and accelerate hydropower development.

State Industrial Policy 2008

Facilitate and promote growth of the industry, employment and investment in the state.

North East Industrial Development Scheme 2017

Promote Northeast as an attractive investment region and drive productivity.

KEY SECTORS OF THE STATE

Textiles and Handicrafts

The state consists of an enriching collection of unique and appealing handloom designs from each of its tribes. Raw silk production [provisional] in the state reached 49 metric tonnes (MT) in FY23.

Agriculture and Forest Based Industries

In 2018-19 (as per third advance estimates), fruits and vegetables production stood at 125.84 thousand tonnes and 17.39 thousand tonnes, respectively.

Mineral Based Industries

Arunachal Pradesh has considerable mineral reserves. In FY20, the total production of crude petroleum in the state stood at 57 thousand tonnes, and natural gas at 12 MCM.

Tourism

In March 2026, the Government of Arunachal Pradesh announced the launch of the ARUN MSME Mission
