ECONOMIC SNAPSHOT

High economic growth with flourishing industries

The Gross State Domestic Product (GSDP) of Bihar increased at a CAGR of 11.52% from 2015-16 and 2025-26. Fastest growing industries include food processing, dairy, sugar, manufacturing and healthcare. Initiatives are in place for the development of other sectors such as education and tourism.

Rich labour pool

Large base of cost-effective industrial labour. Institutes of national importance such as National Institute of Technology and Indian Institute of Technology.

Location advantage

Unique location-specific advantage because of its proximity to vast markets.

Policy incentives

Mukhyamantri Mahila Rojgar Yojana promotes women entrepreneurship by providing financial assistance of up to ₹2 lakh (US\$ 2,263) for setting up or expanding micro and small enterprises, encouraging self-employment and women-led businesses across the state.
Bihar Semiconductor Policy 2026 provides capital subsidies, concessional land allotment, and exemptions on stamp duty and land-related charges to attract semiconductor and electronics manufacturing investments.

KEY GOVERNMENT POLICIES AND OBJECTIVES

Bihar Export Promotion Policy 2024

The policy provides export-linked incentives, including export subsidy of up to 1% of FOB value and performance-based incentives for eligible exporters. Supports branding and promotion of GI-tagged and One District One Product (ODOP) products through buyer-seller meets and export facilitation measures.

Bihar Industrial Area Development Authority Land Allotment Policy 2022

A policy outlining procedures for industrial land allocation, review and conditions to support investment and utilisation of industrial plots in Bihar.

Bihar Startup Policy 2022

The policy aims to strengthen Bihar's startup ecosystem by providing interest-free seed funding of up to Rs. 10 lakh for eligible startups, with enhanced assistance for women, SC/ST entrepreneurs, and persons with disabilities. It also supports startups through incubation and acceleration programmes, co-working infrastructure, investor connect initiatives, valuation services, and mentorship to promote innovation, entrepreneurship, and employment generation in the state.

GOVERNMENT VISION-2030 FOR THE STATE

GSDP Growth

Promotion of agri-business through upgraded technology, financial incentives and infrastructure development.

Health

Build medical institutions, create awareness and bring technological advancements.

Education

Achieve zero dropout rate and increase spending on building schools and colleges to upgrade the infrastructure.

Tourism

Promote educational, cultural and religious tourism. Knowledge and religious hubs to be built and is expected to attract 100,000 tourists per year by 2022.
