ADVANTAGES

Strategically located business hub

Centrally located state in India. Major consumer goods multinationals are situated in Madhya Pradesh in order to access major consumer markets and metro urban communities.

State has a well-developed automotive cluster and is home to around 30 auto component and ancillary units.

Rich resource pool

At labour costs of US\$ 3.7 per day, the state has a significant cost advantage over metros.

The state houses some of the country's most reputed institutes including Indian Institute of Management, Indian Institute of Foreign Management and Indian Institute of Technology.

Attractive investment avenues

Under the Business Reform Action Plan (BRAP) 2024, Madhya Pradesh was recognised as a Top Achiever across four areas: Land Administration, Business Entry, Labour Regulation Enablers and the Service Sector.

Policy and infrastructure support

Madhya Pradesh is strengthening its investment ecosystem in FY 2026-27 through major initiatives such as the Indore-Pithampur Economic Corridor, telecom manufacturing zone in Gwalior, industrial park development and the Madhya Pradesh Space Tech Policy 2026. The state government has proposed Rs. 5,957 crore (US\$ 661.89 million) for investment and industrialisation initiatives in FY 2026-27, focusing on MSME promotion, employment generation and infrastructure development.

KEY GOVERNMENT POLICIES AND OBJECTIVES

Expressway

Proposed expressway network will be built over the next five years.

Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY)

The central government has extended the Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY) for an additional five years, effective January 1, 2024. The scheme ensures food security by providing 5 kg of free monthly food grains to 81 crore beneficiaries.

Mukhyamantri Sahkari Dugdh Utpadak Protsahan Scheme

Madhya Pradesh has partnered with the National Dairy Development Board (NDDB) on a five-year plan to expand its dairy infrastructure. The initiative will establish new village collection centers, boost processing capacity, and aims to double farmers' annual income.

Prison Reforms

Madhya Pradesh announced a special 60-day remission of sentences for around 14,000 eligible prisoners, under the Bharatiya Nagarik Suraksha Sanhita (BNSS) guidelines, as a reformative step to reward good behavior and support reintegration efforts.

GOVERNMENT VISION-2030 FOR THE STATE

Transport

Develop the transportation network to enhance rural connectivity and reform the institutional machinery.

Agriculture

Expand the outreach of agriculture technology and irrigation to remote farms and promote farm level diversification.

Tourism

Make the state a world class tourist destination and promote religious, adventure and heritage tourism.

Infrastructure

Connect all villages through world class highways and be a leader in renewable energy and green technology.

Investment promotion

Enhance the ease of doing business for the benefit of investors and attract higher investments.

Skill development

Skill development by expanding training infrastructure and capacity to aid 1 million youth.

Housing

Improve civic infrastructure and expand availability of affordable housing.

Environment

Promote social and agro forestry and revitalise ground water resources.
