ADVANTAGES

Flourishing bamboo processing industry

- Manipur is one of India's largest bamboo producing states and a major contributor to the country's bamboo industry, with a total bamboo bearing area of 10,687 sq. kms. in 2017.

A tourist's paradise

- Due to its wealth of flora and fauna, Manipur is described as a 'flower on lofty heights', 'a jewel of India' and the 'Switzerland of the East'.
- Its breathtaking scenic beauty makes it a tourist paradise.

Strong handicrafts industry

- Manipur has the highest number of handicraft units and the highest number of craft persons (skilled and semi-skilled artisans) in the entire Northeast region.
- Handlooms is the largest cottage industry in Manipur.

Conducive agro-climatic conditions

- Entrepreneurs get easy access to process and market a wide variety of rare, medicinal and aromatic plants grown in Manipur.

KEY GOVERNMENT POLICIES AND OBJECTIVES

Manipur Textile Policy, 2020

Strengthen and encourage the handloom and handicrafts industry to produce value added items for securing global markets.

Manipur Industrial Single Window Clearance Act, 2021

Enacted to promote ease of doing business in the state by providing a single-window mechanism for obtaining approvals and clearances required for setting up industrial and service sector enterprises. The Act aims to ensure speedy processing of applications, improve investment facilitation, and create a transparent and investor-friendly business environment.

North East Industrial Development Scheme, 2017

Promote the Northeast as an attractive investment destination by providing concessions and incentives.

The Industrial and Investment Promotion Policy of Manipur, 2022

This is the updated industrial promotion policy that has replaced the 2017 version. It focuses on planned and accelerated industrial development, infrastructure support and attracting investment into the state.

Manipur Electric Mobility Policy, 2022:

To encourage early adoption of electric vehicles, the Manipur Electric Mobility Policy, 2022 provides MV Tax waivers ranging from 20% to 30%. The policy targets the deployment of 4,538 electric vehicles over five years, including electric two-wheelers, three-wheelers, four-wheelers, hybrid vehicles, and e-buses.

GOVERNMENT VISION FOR THE STATE

Infrastructure

Develop Imphal airport into an international airport.

Agriculture

Produce surplus rice and stop importing rice from other states.

Education

Develop the state as an education hub and attract students from other states.

Industries

Setting up Export Processing Zones (EPZs) in every district and SEZ for different sectors.
