ADVANTAGES

Facilitating infrastructure

- In March 2026, the National Highways Authority of India (NHAI) awarded contracts for the construction of the 111-km six-lane access-controlled Capital Region Ring Road (Bhubaneswar Bypass) project in Odisha.

High economic growth

- Odisha's GSDP is expected to increase at a CAGR of 10.79% between FY17 and FY26.

Policy, fiscal incentives and initiatives

- The state has sector-specific policies for IT and micro, small and medium enterprises.
- The state Government has constituted 'Team Odisha' to help with investment promotion.

Rich labour pool

- The state has a literacy rate of 72.87% in line with the national average.
- The Odisha government undertook a large recruitment drive appointing 20,000 teachers in primary schools, addressing educational infrastructure gaps which will contribute to skill development and long-term enhancement of the workforce.

KEY GOVERNMENT POLICIES AND OBJECTIVES

Excise Policy 2018

Adopt excise duty, fee structure and guidelines for the settlement of excise shops and establishments.

Export Policy 2017

Provide necessary support to exporting industries with the aim of providing a boost to exports.

Renewable Energy Policy 2016

Create an environment conducive to public/private/community participation, research and development (R&D) and investment in renewable energy.

Odisha Tourism Policy 2016

Promote sustainable tourism with a view to create employment opportunities and to bring about socio-economic benefits to the community.

Odisha Electric Vehicle Policy, 2021

To achieve adoption of 20% battery electric vehicles in all vehicle registrations by 2025.

GOVERNMENT VISION FOR THE STATE

Skill Development

To foster technical and vocational education and skill development programmes.

Infrastructure

To improve connectivity by increasing road and rail density and to improve passenger services.

Government Services

To enhance the use of Information Technology (IT) to ensure transparency and speed.

Industrial Development

To develop industrial parks with quality infrastructure, encourage micro-enterprises as ancillaries and pave the way for cost and technology orientation by encouraging competition.
