## ADVANTAGES

**High Economic Growth and Stable Political Environment**

GSDP (in Rs.) grew at a Compounded Annual Growth Rate (CAGR) of 7.51% between 2018-19 and 2024-25. The state Government is committed towards creating a progressive business environment.

**Facilitating Infrastructure**

Puducherry has a well-developed industrial infrastructure with nine industrial estates. It has an airport and two ports.

**Strong Presence in Agriculture and Tourism**

Agriculture sector contributes more than 4% of the Gross State Domestic Product (GSDP) of the Government of Puducherry. High inflow of tourists driving tourism revenue.

**High Literacy Rate**

According census 2011, Puducherry had an average literacy rate of 85.85%. A large proportion of the population can speak English, which helps boost the union territory's tourism sector.

## KEY GOVERNMENT POLICIES AND OBJECTIVES

**Draft Water Policy**

The policy has detailed information on the water resource planning, water allocation priorities, irrigation, drinking water management, ground water development etc.

**IT Policy 2017**

To be recognized as one of the leading UT in the country on e-Readiness Index and also adopt several new strategies like "Make in India", "Startup India", "Standup India", "Ease of Doing Business".

**Lieutenant Governor Speech 2025**

The Union Territory of Puducherry has set a revised budget of Rs. 13,235 crore for 2024-25, focusing on employment, infrastructure, and inclusive welfare. Major investments in water, urban development, and coastal resilience projects, along with strong growth in GSDP and a decline in unemployment, reflect a clear push toward sustainable progress. The government's vision of making Puducherry a "BEST" hub drives its strategy technology-driven development.

Note: BEST - (Business, Education, Spiritual and Tourist)

## GOVERNMENT VISION FOR THE UNION TERRITORY
