ADVANTAGES

Rich Talent Pool

- The city is home to five government colleges, six private colleges, ten engineering colleges and two polytechnic institutes

Industrial Infrastructure

- Chandigarh has over 2,900 small scale and 15 large and medium scale units. ~40% of industries are ancillary units that manufacture components for tractors.

Strong economic growth

- Total merchandise exports from the state stood at US\$ 76.54 million in 2019-20.

Physical Infrastructure

- Chandigarh is one of the first cities in India to have 100 % metalled road connectivity. It has well-developed social, physical and industrial infrastructure and connectivity.

KEY GOVERNMENT POLICIES AND OBJECTIVES

Chandigarh Industrial Policy 2015

Policy objective includes infrastructure development, skill development and grievance redressal facilitation

Biotechnology Policy

Objective is to make Chandigarh the preferred destination for biotechnology companies by developing laboratories, improving skill availability and facilitating networking

Chandigarh IT and Electronics Policy 2013

The policy seeks to promote research and development and innovation in design, testing, calibration and production in Electronics System Design and Manufacturing industry.

Model Solar City Plan, 2012

The solar city plan, implemented by the Ministry of Natural and Renewable Energy (MNRE) aimed to generate 5 MW from rooftop-based SPV power generation capacity by 2017 and 10 MW by 2022

Enterprise Promotion Policy, 2015

Facilitate ease of doing business in the state, reduce cost of doing business to attract a greater number of players and focus on MSMEs.

GOVERNMENT VISION FOR THE UT

Healthcare

Ensure availability of affordable healthcare and medical facilities for all.

Manufacturing and Engineering

Implement schemes to make Chandigarh the preferred destination for manufacturing and promote research and development towards innovation

Infrastructure

Develop Industrial Modern Townships (IMTs), industrial parks and expand industrial estates.

Education

Enhance sports, education and infrastructure to prepare people to compete at international and national events.
