#### Rich labour pool

- High worker-participation rate and one of the lowest reported losses of man-days attributed to labour problems in the country.

#### Energy rich

- Presence of coal makes Chhattisgarh an ideal location for pit-head-based thermal power plants.
- Among the few profitable states in terms of utility-based electricity.

#### Mineral resources

- Chhattisgarh has deposits of limestone, iron ore, copper, bauxite, dolomite & coal
- In FY26 (April-August 2025), Chhattisgarh accounted for 13.1% of the total mineral production in India.

#### Policy and fiscal incentives

- Wide range of fiscal and policy incentives for businesses were announced under the state's Industrial Policy 2014-19.
- Well-drafted policies for the IT/ITeS, minerals and energy sectors.

#### Industrial Development Policy 2024-30

A comprehensive framework by the Government of Chhattisgarh to attract investment, spur industrial growth and employment across the state through incentives like tax exemptions, duty waivers and streamlined clearances.

#### Chhattisgarh Startup Package 2024-30

A comprehensive incentive scheme under the Chhattisgarh Industrial Development Policy 2024-30 that offers startups recognised by DPIIT benefits including rent-subsidy, stamp-duty waiver, project-report support, seed funding, credit-risk fund and other fiscal incentives to promote innovation and industrial growth in the State.

#### Chhattisgarh Solar Energy Policy 2017-27

A policy enabling solar power project development in Chhattisgarh (individuals, companies, captive generation, third-party sale) with incentives including electricity-duty waiver, land/stamp duty concessions, single-window clearances via CREDA and provisions for rooftop, captive and grid-sale solar plants under defined capacity- and bidding-formats.

#### Transport

Develop a world class rail and road network for better connectivity with metros.

#### Agriculture

Encourage contract farming with the benefit of assured prices and efficient use of irrigation, rainwater harvesting.

#### Tourism

Promote religious, adventure and heritage tourism.

#### Infrastructure

Connect all villages with better roads and increase reliance on renewable energy.

#### Skill development

Implemented the Skill Development Act 2013 to develop employment skills among youth.

#### Environment

Be a pollution free industrialised state and put in place proper pollution control and environment management systems.

#### Education

Build a primary school within every five kilometres and improve distance learning programmes.

#### Investment promotion

Simplify procedures and ensure speedy clearances and balanced regional development.
