ADVANTAGES

Strategically located business hub

Centrally located state in India. Major consumer goods multinationals are situated in Madhya Pradesh in order to access major consumer markets and metro urban communities.

State has a well-developed automotive cluster and is home to around 30 auto component and ancillary units.

Rich resource pool

At labour costs of US\$ 3.7 per day, the state has a significant cost advantage over metros.

The state houses some of the country's most reputed institutes including Indian Institute of Management, Indian Institute of Foreign Management and Indian Institute of Technology.

Attractive investment avenues

Madhya Pradesh Industrial Development Corporation (MPIDC) has emerged as the leading investment promotion agency worldwide. In the field of investment promotion, the state scored 97%.

Policy and infrastructure support

In 2024, Union Minister for Road Transport, Highways and MSMEs laid the foundation stones for developing 15 highway projects worth Rs. 8,038 crore (US\$ 963 million) in Madhya Pradesh.

The Directorate General of Civil Aviation (DGCA) has granted operating approval to Rewa Airport, making it the sixth airport in Madhya Pradesh and providing crucial infrastructure support to the Vindhya region.

KEY GOVERNMENT POLICIES AND OBJECTIVES

Expressway

Proposed expressway network will be built over the next five years.

Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY)

In August 2021, Prime Minister Mr. Narendra Modi announced that ~5 crore beneficiaries in Madhya Pradesh were benefitted from the PMGKAY scheme.

Mukhyamantri Sahkari Dugdh Utpadak Protsahan Scheme

Milk Production Incentive Scheme will be introduced to enhance the income of milk producers, starting with an initial allocation of Rs. 150 crore (US\$ 17.5 million).

Prison Reforms

The Sudharatmak Sevayein Evam Bandigrih Adhiniyam, 2024, will be enacted to introduce prison reforms. It is based on the Union government's Model Prison Act, 2023.

GOVERNMENT VISION-2030 FOR THE STATE

Transport

Develop the transportation network to enhance rural connectivity and reform the institutional machinery.

Agriculture

Expand the outreach of agriculture technology and irrigation to remote farms and promote farm level diversification.

Tourism

Make the state a world class tourist destination and promote religious, adventure and heritage tourism.

Infrastructure

Connect all villages through world class highways and be a leader in renewable energy and green technology.

Investment promotion

Enhance the ease of doing business for the benefit of investors and attract higher investments.

Skill development

Skill development by expanding training infrastructure and capacity to aid 1 million youth.

Housing

Improve civic infrastructure and expand availability of affordable housing.

Environment

Promote social and agro forestry and revitalise ground water resources.
