ADVANTAGES

Geographical advantages (Road and Railway)

Well-connected to its nine neighbouring states and other parts of India through 48 national highways. Biggest railway network in the state with a density of 40 kms.

Rich labour pool

In August 2025, Uttar Pradesh government reported to link 13.45 lakh youth to private jobs via 10,830 Rozgar Melas since 2017, with overseas demand from Japan, Germany, Croatia and the UAE offering salaries up to Rs. 1.5 lakh (US\$ 1,692), strengthening the state's economy.

Favourable Business Environment

Uttar Pradesh ranked second in implementing the Business Reform Action Plan in 2019.

Hub of IT/ITeS services and semiconductor industry

Chief Minister of Uttar Pradesh Mr. Yogi Adityanath highlighted support for 17,000+ startups in UP, including IT/ITeS, with Rs. 137 crore (US\$ 15.5 million) allocated to promote young innovators, fueling the startup ecosystem contributing to the tech sector's expansion.

KEY GOVERNMENT POLICIES AND OBJECTIVES

Uttar Pradesh Textile and Garmenting Policy 2022

The policy aims to position the state as a global textile hub by attracting US\$ 1.12 billion in investment, creating 5 lakh jobs and boosting local weavers through upgraded infrastructure.

UP Defence and Aerospace Units and Employment Promotion Policy, 2024

The policy targets US\$ 5.61 billion in investments, aims to create 1 lakh jobs and is expected to drive growth in the state's aerospace and defence manufacturing ecosystem.

Uttar Pradesh Electronics Component Manufacturing Policy- 2025

The policy promotes domestic production of 11 key electronic components, targets US\$ 560.6 million in investment over six years and aims to create extensive direct and indirect employment for skilled and semi-skilled workers.

Uttar Pradesh Tourism Policy 2022

The policy targets US\$ 2.24 billion in investments and focuses on developing Focus Tourist Destinations to boost tourism in lesser-known regions while expanding thematic sectors that encourage investment and job creation.

Uttar Pradesh State Bio-Energy Policy 2022

The policy promotes biofuel production from agricultural and organic waste to strengthen the rural economy by creating new jobs and providing farmers with additional income.

Uttar Pradesh Solar Power Policy 2022

The policy targets 22,000 MW of solar capacity by 2026-27 and supports solar projects for captive use and power sales to third parties across both interstate and intrastate markets.

GOVERNMENT VISION FOR THE STATE

Information Technology

Uttar Pradesh is the preferred destination for IT/ITeS investment

Agriculture

Increase farm productivity & farmer profitability

Energy

Promote generation and use of clean and green power

Tourism

Develop areas of tourist interest and provide better wayside facilities
