Composition of Major Items Exported from Dadra and Nagar Haveli and Daman and Diu in FY24

ADVANTAGES

- Policy support**
Strong IT policy to enable the Union Territory to be IT enabled and responsive. Government dedicated various development projects worth over Rs. 4,850 crore (US\$ 482.9 million) in Silvassa, Dadra and Nagar Haveli. Key projects include the NAMO Medical Education & Research Institute in Silvassa and the initiation and dedication of 96 projects. These projects encompass government schools, a Government Engineering College in Daman, road beautification and expansion, a fish market, a shopping complex, and a water supply scheme.
- Strong presence in Textile and Plastic sector**
Accounts for 80% of India's texturising yarn production in the country.
Contributes to 28% share of India's plastic production.
- Geographic Position**
Dadra & Nagar Haveli and Daman & Diu are situated very close to the city of Mumbai and the state of Gujarat.
The union territory is connected via NH 8 and NH 251, the Diu port and the Diu airport.
- Facilitating infrastructure**
Dadra & Nagar Haveli and Daman & Diu has well-developed industrial infrastructure.
It has an airport that is connected to the two cities of Mumbai and Ahmedabad. It also has minor port infrastructure which is primarily used for fishing and commute. Companies (such as Hindalco) are planning to expand in Dadra & Nagar Haveli for an extrusion plant to meet the rising demand for aluminium products.
